

# ESTIEU CAMILLE

3D ANIMATOR

## EXPERIENCES

**May- June 2020** : I worked one months in animation at **Fixstudio**. I animated in blocking and spline different characters for **Oasis Fruigo**. I animated the lipsing on principal character.

**September 2018-Mai 2019** : I worked eight months in animation at **Studio100 Animation**. My mission was animated in spline on characters and props for **Vic the Viking and the magic sword**. I animated the hair character and sails of boats and different props like sword, bow, arrow and ship.

**January 2017** : Internship 3D modeling and animation **BAKCORP STUDIO** Montpellier. I modeled a fighting mecha in Maya to create a cinematic for a Kickstarter. I did the rigging of mecha and animated in Maya. Then, I exported the model with their animation in Unity.

**June-August 2015** : Internship 3D concept **GEKO 3D** Toulouse. I modeled a 3D building in Maya for an architect presentation. I edited in After Effects and Premiere PRO to present the new building. I created a 3D satellite in Maya with Airbus concept. I did a presentation movie to show the functions of the satellite.

**June-August 2014** : **BMV Communication** Montauban Internship in 2D/3D graphic Design. I worked on motion design in Photoshop and After Effects to commercials and event promotions. I edited the interview or presentation show in Premiere PRO.
